Hello All,

Last week a Central Division LAPD Detective was discovered in her Whittier home, with an apparent self-inflicted gunshot wound. The entire Division is heartbroken over the tragic loss of Nadine Hernandez Fox. She was a loving wife, mother, daughter, sister and friend.

A Go Fund Me Page was created to help support her children. The Officer who created this Go Fund Me Page has requested that we help get the word out by sharing information about Nadine's Go Fund Me Page on our respective social media outlets. If you're able to, please consider sharing the below link for Nadine Hernandez Fox:

If you have any questions, please direct them to Officer McMains, who is copied on this email.

Best Regards,
